BBHS Iftaar Dinner	14 <sup>th</sup> June	Hall
School Athletics Carnival	16 <sup>th</sup> June	All students to attend

## Principal's Message

Belmore Boys High School is committed to celebrating and embracing our diversity through a range of initiatives that improve self-esteem and provide students with a sense of connectedness with their school. On Monday 15 May, our school celebrated our first Belmore Easter Show. The day included a range of rides, games and activities where students were able to enjoy themselves in a safe and comfortable environment. The day started with a whole school assembly led by our student leaders, explaining the meaning of Easter from the Christian faith to our school community. Show bags, sweets, food and chocolate of course were highlights of the day. Student feedback about their experiences on our first Easter Show were very positive, reflecting feelings of appreciation for the effort our teachers have given to make the day happen. Our diversity is our strength at Belmore, we don't just embrace our diversity, we also celebrate it.

**Ms Ramadan**

## Deputy Principals' Message

### Anzac Day

It was with great pride that I attended the Anzac Day ceremony, at Campsie, with David Phung of Year 10. David, Ibrahim Abdulsater and Kiteau Palu created an Anzac Day PowerPoint based on Rayene Simpson, a VC winner in the Vietnam War. This presentation, along with presentations from 12 other schools, were displayed at the club in the week leading up to Anzac Day. On the day David represented the school by laying a wreath at the cenotaph, in recognition of the gallant members of our fighting services. Afterwards, he accepted a cheque for \$5 000 from Campsie RSL. This presentation included local members Mr Tony Burke and Ms Sophie Cotsis in recognition of the work our students had done on the PowerPoint. It was a moving ceremony and I am very proud of the presentation that the boys did. Well done!

**Mrs Ellis**

## Fast Forward WSU

On Thursday 18th of May, I was pleased to attend the Western Sydney University Fast Forward program awards night. The night introduced the Fast Forward program to Year 9 participants and acknowledge the 15 Belmore students for their selection. Students received a copy of the award winning book 'Letters to my teenage self', in which celebrities have written short motivational retrospective letters.

Belmore's Fast Forward students will have the opportunity to experience many activities in tertiary educational settings and be placed in good standing for a \$20000 scholarship. I wish to congratulate the students on their selection and pass on that congratulations to their parents.

**Mr Borg**

## *FUTSAL*

Three teams recently participated in a Football NSW Futsal Competition. The Opens Boys futsal team made the grand final where they played with passion and showed great technical ability. Having already beaten the team they played in the final during the group stage, the boys could not keep up their winning form and lost the final 4-2. Please congratulate the boys on their success. The Belmore football coaches are proud of our achievements and our boys.

## *MUNIS*

MUNIS - Model United Nations In Schools - With the support of the University of NSW, Belmore Boys hosted students from a variety of local high schools to work with students to develop their leadership, public speaking and negotiation skills to promote awareness of social justice issues within society. Participants engaged in a multitude of activities to devise solutions to a specific issue facing our world today.

## *Easter show*

## *Commerce Excursion Day*

### **Downing Centre Excursion**

Students participated in an excursion to the Downing Centre courts. Our boys were able to witness the legal system in action. They observed cases that were being heard before meeting legal

personnel to gain an insight into the legal profession. They were able to observe a variety of cases, including summary and indictable offences. As always, our students were excellent ambassadors for Belmore Boys High school!

### PBL- Please discuss with your child our focus on Positive Behaviour and Learning

The focus for PBL this term is on the appropriate use of the mobile phone during school and the expectations of good behaviour during assembly

Please discuss these two issues with your son/s.

**PBL Award Winners this term.** Student prizes this term were for tickets and gift bags for the Easter show
