Principal's Message

Celebrating Easter in Belmore Style

Belmore Boys High School is committed to celebrating and embracing our diversity through a range of initiatives that improve self-esteem and provide students with a sense of connectedness to their school. On Thursday 29th March, our school celebrated our second Belmore Easter Show. The day included a range of rides, games and activities where students were able to enjoy themselves in a safe and comfortable environment. Our school assembly was led by our student leaders, explaining the meaning of Easter from the Christian faith to our school community. Cross cultural connections were also made to enhance some of our students' understanding of Easter rituals. Show bags, sweets, food and chocolate of course were highlights of the day. Student

feedback about their experiences on our second Easter Show were very positive, reflecting feelings of appreciation for the effort our teachers have given to make the day happen. Our diversity is our strength at Belmore, we don't just embrace our diversity, we celebrate it!

An Egg-cellent Community Breakfast showcasing our 2017 Achievements

Belmore Boys High School enjoys a strong commitment to building positive partnerships with our local community in all its facets. On Tuesday 27 March, our school hosted our third annual Community Breakfast. The breakfast is an initiative that allows us to open the school up to local community partners while showcasing our school achievements from 2017. About 70 local community members attended the breakfast, including MPs, Primary and Secondary Principals, Parents, Council Representatives, Service providers and Local Business people. The highlight of the breakfast was our student leadership team, who shared their stories and led the ceremony with pride and dignity.

Local media covered the event and our school would like to extend our warm gratitude to the editor of Humwatan, an E-Magazine for the Pakistani community, for featuring our school as a model of successful achievement and school harmony in a learning environment. Our school also recognised Campsie RSL and Human Appeal International for their ongoing sponsorship of our EFP program and Iftaar dinner. Overall, the breakfast was a clear demonstration of what schools can achieve when a whole community works together. Fantastic work by our Belmore Family.

Ms Ramadan

Deputy Principals' Message

School programs

This term has been a very busy term, with the implementation of several programs, to assist the boys to become informed citizens and to help with their well-being. We completed Study Skills programs for both Year 11 and Year 7. For the senior students the focus was on how to prepare for their exams. The Year 7 skills concentrated on how to transition from primary to high school, coping with the increased work load, especially with completion of assessments on time.

We also ran Road and Public Safety talks with the Police School Liaison Officer and Transit Police, helping the boys to navigate through public

areas in a safe manner. Both of these were well received with the boys demonstrating safe, respectful and responsible behaviour throughout.

Mr Nand from our TAS Faculty also delivered training for the White Card, which is needed by seniors who wish to work on building and construction sites. Overall the boys have had a busy educational time and have displayed excellent behaviour throughout.

Mrs Ellis

Student Leadership

This term students from over 10 local primary schools attended a leadership conference conducted by our Year 10 and 11 student leaders. Students were taught many communication and organisational skills through a variety of activities, interacted and collaborated with student leaders from other primary schools.

We also hosted the Local High School Student Leadership Awards ceremony conducted by our Federal member for our school area Mr Tony Burke MP. We also had Jihad Dib MP who was representing Sophie Cotsis MP assisting in the presentation of awards.

International Women's Day

Our students and staff fundraised over \$800 for International Women's Day which has been donated to Australian Relief Organisation. We held activities on the day to raise awareness and sold cakes that were kindly donated by Anne Abbas, Moutiah Chahine El-Hariri, Rhonda Esh, Rawah Alameddiine, Sweetly made by Nadia, HouseofCakez and Sweets by Doocha.

PBL- Please discuss with your child/ren our focus on Positive Behaviour and Learning. This term we focused on *Study Skills*. All students need to revise their work each night and complete their homework. Reading is also recommended to improve literacy skills in our students. So please discuss these issues with your son/s
